chandelier oval    chandelier round    ceiling lamp    ceiling/wall lamp    floor lamp

Ruban Plié is the first collection of Jacco Maris Design. Contemporary versions of a nostalgic chandelier. This charming, transparent creation with undulating, ornamental lines in a revived Art Nouveau style is available in many different forms and versions.

For example, there is a line in rust colours with a patined brass ribbon, and also a line with a brushed or polished stainless steel ribbon and a stylish coating of anthracite powder.
