

solo

wall lamp outdoor lamp suspension lamp

solo

The Solo collection is named after Jacco Maris' dog Solo. A small paw print on the fixture is a subtle memorial to him. Each Solo is cast and polished by hand. Unique pieces of design, with a warm natural appearance due to its texture, that are provided with a pleasant diffuse light. They therefore have a quiet presence, yet a luxurious feel. The Solo collection is available in powder coated aluminium and bronze and can be finished with leather.
