floor lamp

# mrs.Q

The robust leather shade combined with the carefully designed metal base characterises this lady in the Jacco Maris collection. Mrs.Q's appearance will keep you indoctrinated and would not be out of place in a 007 movie. It has a timeless strong look and feel, due to the natural color combination and its leather finish. Mrs. Q is available in brass, stainless steel and totally leather. The leather is available in several colors.
