solo

The Solo collection is named after Jacco Maris' dog Solo. A small paw print on the back of the wall fixture is a subtle memorial to him. Each Solo is cast and polished by hand. Unique pieces of design with a warm natural appearance due to its texture and provided with a pleasant diffuse LED light. They therefore have a quiet, yet luxurious presence.

The Solo indoor collection is available in cast bronze, cast powder coated aluminium or cast aluminium. The outdoor version is available in cast bronze and in powder coated aluminium.
