solo

Our Solo collection, a tribute to Jacco Maris' much-loved dog Solo, is truly a unique breed of its own. The collections' character is subtly revealed with a small paw print tucked away at the base of each wall fixture, serving as a heartfelt tribute. Each piece is hand cast and polished. Emitting a gentle, diffused LED light, these fixtures establish a relaxing and lavish atmosphere, like a visual retreat for your senses. Solo is offered either in cast solid bronze with a hint of patina for a vintage bronze appearance or in cast aluminum with a powder coat finish. It includes both up and down lighting and is also available in an outdoor variant.
