oval collection

The Oval Collection is renowned for its organic-shaped fixtures. These elegantly crafted, oval-shaped designs add a touch of softness and sophistication to any angular space. Inspired by our iconic Brass-O and Hall-O fixtures, this collection is available in both powder-coated aluminium and brushed brass finishes. The same exceptional quality of materials and flawless powder coatings are found across all available colors. The Oval Collection is offered in two dimensions, with light gracefully radiating from the interior of the U-shaped profile of the oval ring, creating an enchanting and luxurious atmosphere.
